About Us

Girls' Day In is a family business owned by sisters Carla and Michelle. Between us we have 6 young children.

Girls' Day In was created because we saw a need for unique and wonderful children's parties at affordable prices. We have designed a range of party options suited to boys and girls.

Carla is a qualified make-up artist who is also experienced in face painting. Michelle looks after the administrative side of the business.

We have both completed the "Working With Children" certificate for your peace of mind.

Our aim is to give you a party experience that your child will be talking about for weeks, months, years.

We love what we do because it brings joy to children and an easy solution to parents.
